

SAFETY DATA SHEET

Version 1
Koala S100 Primer

Issue date 07-Jul-2021
Revision date 07-Jul-2021

SECTION 1: Product name and company identification

Product name
Koala S100 Primer

Company identification

Supplier/ Manufacturer	Theta Works Pty Ltd
Business Trading Name	Koala Flooring Accessories
Address	13/ 38-50 Lyons Rd Drummoyne NSW 2047
Phone	+61 2 8719 0796
E-mail	office@koalaflooringaccessories.com.au
ABN:	23 639 469 499

Emergency Telephone
Australia +86 1800 033 111

Recommended use of the chemical and restrictions on use

Recommended use	Primers, Pretreatment agent
Uses advised against	No information available

SECTION 2: Hazard identification

GHS classification

Not classified as Hazardous according to the Globally Harmonized System of Classification and Labeling of Chemicals (GHS) and Safe Work Australia criteria.

Physical hazards

No information available.

Health hazards

No information available.

Environmental hazards

No information available.

Other hazards

Repeated or prolonged contact may cause allergic reactions in very susceptible persons.

SECTION 3: Composition/information on ingredients

Description Mixture

Mixture of substances listed below with nonhazardous additions

Components

No hazardous ingredients

SECTION 4: First aid measures

Description of first aid measures

Inhalation	IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
Skin contact	Wash with soap and water. Consult a physician if necessary.
Eye contact	IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
Ingestion	Rinse mouth. Get medical attention. Never give anything by mouth to an unconscious person.

SECTION 5: Firefighting measures

Extinguishing media

Suitable extinguishing media that are appropriate to local circumstances and the surrounding environment.

Special hazard

No information available

Protective equipment and precautions for firefighters

Evacuate personnel to safe areas. Move containers from fire area if you can do it without risk. Cool drums with water spray. Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Stay upwind. Ensure adequate ventilation, especially in confined areas.

SECTION 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

Evacuate personnel to safe areas. Ensure adequate ventilation, especially in confined areas. Remove all sources of ignition. Use personal protection recommended in Section 8. Avoid contact with skin, eyes or clothing. Avoid breathing dust/fume/gas/mist/vapors/spray.

Environmental precautions

Local authorities should be advised if significant spillages cannot be contained. Prevent entry into waterways, sewers, basements or confined areas.

Methods and material for containment and cleaning up

Contain and collect spillage with non-combustible absorbent material, (e.g., sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see Section 13).

Prevention of secondary hazards

Prevent further leakage or spillage if safe to do so.

SECTION 7: Handling and storage

Handling

Handle in accordance with good industrial hygiene and safety practice. Do not handle until all safety precautions have been read and understood. Ensure adequate ventilation, especially in confined areas. Do not breathe dust/fume/gas/mist/vapors/spray. Avoid contact with skin, eyes or clothing. Wash contaminated clothing before reuse. Keep away from heat, sparks, flame and other sources of ignition. Take precautionary measures against static discharges. Do not eat, drink or smoke when using this product. Wash thoroughly after handling. Use personal protection recommended in Section 8.

Storage

Keep containers tightly closed in a dry, cool and well-ventilated place. Keep away from heat. Keep locked up and out of reach of children. Keep away from food, drink and animal feeding stuffs. Store in accordance with local regulations.

SECTION 8: Exposure controls/personal protection

Exposure limits

No special technical protective measures are necessary.

Engineering controls

Showers. Eyewash stations. Use with local exhaust ventilation. Ensure adequate ventilation, especially in confined areas.

Personal protective equipment

Respiratory protection	No special measures are required under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.
Eye/face protection	Wear safety glasses with side shields (or goggles).
Skin and body protection	Wear suitable protective clothing.
Hand protection	Wear protective gloves.

SECTION 9: Physical and chemical properties

Appearance	Liquid
Color	White
Odor	Slight
Odor threshold	Not determined
pH	Not determined
Melting point/freezing point	Not determined
Boiling point / boiling range	Not determined
Flash point	Not determined
Evaporation rate	Not determined
Flammability (solid, gas)	Not determined
Explosive limits	Not determined
Vapor pressure	Not determined
Vapor density	Not determined
Density	1.02kg/L
Relative density	Not determined
Water solubility	Not determined
Partition coefficient (LogPow)	Not determined
Autoignition temperature	Not determined
Decomposition temperature	Not determined
Kinematic viscosity	Not determined
Dynamic viscosity	Not determined
Explosive properties	Not an explosive
Oxidizing properties	Not determined
Solid content	25%
VOC	Not determined

SECTION 10: Stability and reactivity

Stability

Stable under normal conditions.

Possibility of hazardous reactions

None under normal processing.

Conditions to avoid

No information available.

Incompatible materials

No information available.

Hazardous decomposition products

None under normal use conditions

SECTION 11: Toxicological information**Acute toxicity**

No classified based on available information.

Skin corrosion/irritation

No classified based on available information.

Serious eye damage/eye irritation

No classified based on available information.

Sensitization

No classified based on available information.

Germ cell mutagenicity

No information available.

Carcinogenicity

No classified based on available information.

Reproductive toxicity

No information available.

STOT - single exposure

No information available.

STOT - repeated exposure

No information available.

Aspiration hazard

No information available.

SECTION 12: Ecological information**Ecotoxicity**

No information available.

Persistence and degradability

No information available.

Bioaccumulative potential

No information available.

Mobility in soil

No information available.

Other adverse effects

No information available.

SECTION 13: Disposal considerations

Waste treatment methods

Waste from residues/unused products	Disposal should be in accordance with applicable regional, national and local laws and regulations.
Contaminated packaging	Empty containers should be taken for local recycling, recovery or waste disposal.

SECTION 14: Transport information

ADG	Not regulated
ADR	Not regulated
IMDG	Not regulated
IATA	Not regulated
Hazard class	Not regulated
Packing group	Not regulated
Environmental hazards	Not applicable
Special precautions	No information available
Transport in bulk according to Annex II of MARPOL and the IBC Code	Not applicable

SECTION 15: Regulatory information**Safety, health and environmental regulations specific for the product**

No known specific national and regional regulations applicable to this product

Standard Uniform Schedule of Medicine and Poisons

No poisons schedule number allocated

Poison Schedule Number

Not regulated

Australia inventory (AICS): All components are listed or exempted

International Regulations

The Montreal Protocol on Substances that Deplete the Ozone Layer Not applicable

The Stockholm Convention on Persistent Organic Pollutants Not applicable

The Rotterdam Convention Not applicable

SECTION 16: Other information**Revision note**

Issue date	07-Jul-2021
Revision date	07-Jul-2021
Revision note	Not applicable

Key or legend to abbreviations and acronyms used in the safety data sheet

- ADG** - Australian Dangerous Goods Code.
- ADR** - European Agreement concerning the International Carriage of dangerous goods by road
- CAS** - Chemical Abstracts Service
- EC50** - Chemical Abstracts Service
- GHS** - Globally Harmonized System

IATA - International Air Transport Association

IMDG - International Maritime Code for Dangerous Goods

MARPOL - International Convention for the Prevention of Pollution from Ships, 1973 as modified by the Protocol of 1978

OEL - Occupational Exposure Limit

Disclaimer

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text
